## ANNUAL U. C. V. REUNION

The Southern Railway Will be the Official Route of the Veterans From Florida to Louisville (Times-Union.)

Among the distinguished visitors to Jacksonville yesterday was General F. L. Robertson of Tallahassee, who came here to look after the Florida end of the great Confederate reunion, which is to take place in Louisville, Ky., June 14-16.

General Robertson is the adjutant-general and chief of staff for the United Confederate Veterans of Florida, and has been extremely active in his efforts to make every possible arrangement to insure a delightful trip for the old soldiers who contemplate a visit to Louisville at this time. He stated yesterday that he was assured that the soldiers would appreciate what was being done by the officers of the national organization for a great time at Louisville, and that there would be a large attendance from this state. Yesterday the following order was issued: Headquarters Florida Division, United Confederate Veterans, Live Oak, Fla., May 5, 1905.—General Orders No. 52. The major-general, commanding the Florida division, United Confederate Veterans, announces with pleasure the fifteenth annual reunion of the federation at Louisville, Ky., on June 14, 15 and 16, Wednesday, Thursday and Friday, respectively, and with this announcement extends with it a cordial invitation to all Confederate organizations and Confederate soldiers and sailors of all arms of the service. Daughters of the Confederacy and Sons of Veterans within the territory of this division to attend the said reunion.

Every camp in a division is urged to elect delegates and alternates to attend, as only accredited representatives can participate in the proceedings of the association. The representation of the camps will be in accordance with article 5, section 1, of the constitution, viz: One delegate for every twenty active members in good standing, and one for every additional fraction of ten members; provided that every camp in good standing shall be entitled to at least two delegates. To put camps in good standing, the division and general per capita, amounting to fifteen cents per member, must be paid at once. In case the absence or failure of any delegates to attend, alternates will supply their places. If for any reason camps should fail to select delegates and alternates, the commanders of camps will appoint representatives.

Business of Importance  
Business or great importance to the organization will demand the attention of delegates at this reunion. Important amendments to the constitution and by-laws have been proposed, the reports of the committee on history, the Jefferson Davis monument and the Battle Abbey, and the monument to the women of the Confederacy will be submitted for consideration and action.

On account of the Confederate Veterans reunion at Louisville the railroads in this territory have, with their usual courtesy, arranged the following very low rates from the points named below to Louisville and return, with proportionately low rates from all other points in Florida: Archer, \$18.10; Citra, \$18.05; Dade City, \$19.70; Gainesville, \$17.80; Hawthorne, \$17.80; Jacksonville, \$18.40; Jasper, \$15.40; Lake City, \$16.40; Live Oak, \$16.40; Ocala, \$18.45; Orlando, \$19.35; Pensacola, \$13.30; Plant City, \$20.20; River Junction, \$14.35; Tallahassee, \$14.30; Tampa, \$20.65; Tavares, \$19.35; Palatka, \$17.50.

Tickets bearing contract or special form can be had until July 10, 1905, by depositing tickets with Joseph Richardson, special agent, Louisville, Ky., June 19, 1905, and upon payment of a fee of 50 cents. The location of the special agency will be announced later.

The Southern Railway, in connection with the Queen & Crescent, has been selected as the official route from Florida. The route selected is the quickest and most direct, being by way of Atlanta and Chattanooga, passing in full view of Lookout mountain, Missionary Ridge, Chickamauga battlefield, through the famous blue grass region of Kentucky, High Bridge and Lexington, the entire trip from Atlanta north in daylight, requiring only one night out from Florida.

Arrangements have been made with the Southern Railway for special Pullman sleeping cars, and first class high back vestibule coaches to run through from Jacksonville to Louisville as follows:

Leave Jacksonville 7:45 p. m., June 12; arrive at Louisville at 8:10 p. m., June 13.

Dining Car Service  
Southern Railway dining cars serve all meals en route, service a la carte, avoiding inconvenience of stopping at meal stations.

Veterans and friends can leave their respective homes in all parts of the state on the morning of June 12, and reach Jacksonville in time to join the Florida delegation leaving Jacksonville at 7:45 p. m., on that date.

Returning, leave Louisville at 7:40 a. m., arriving at Jacksonville at 9:35 a. m., making connection with trains for all points in Florida.

In addition to the above, the Southern Railway offers to those who desire to adopt that route an attractive trip through Asheville, N. C., as follows:

Leave Jacksonville at 8:55 p. m.,

### An Appeal to Veterans

The major-general appeals to the Veterans, the Sons of Veterans and the Daughters of the Confederacy, to make this the grandest reunion in the history of the organization. He begs to assure them that the hearts and homes of the people of Kentucky and of the beautiful city of Louisville will be opened wide to welcome the survivors of the Confederate army. Those who had the good fortune to be the guests of Kentucky in 1900 need no assurance of the welcome that awaits them again. Those who did not have that good fortune must visit Louisville on this occasion to understand and appreciate the breadth and depth of the welcome that awaits all Confederate veterans and their friends.

Adjutants of camps will report as promptly as possible to these headquarters the names of all veterans and citizens within their territory who will attend the reunion so that ample accommodation can be provided for their transportation.

All members of the division staff, who can possibly do so, are requested to report in uniform for duty, at division headquarters at the Galt House, Louisville, Ky., June 14, at 9 a. m., sharp.

The press of the state, both daily and weekly, is respectfully requested to aid the veterans by the publication of these orders, or by editorial mention, or both, that all may know the date of the reunion and the low rate provided for transportation.

Veterans and their friends who intend to attend this reunion are requested to communicate with J. C. Lusk, district passenger agent, Jacksonville, Fla., so that ample and comfortable accommodation can be provided for all.

By order of Major-General W. D. Ballentine, commanding Florida Division, United Confederate Veterans.  
Fred L. Robertson,  
Adjutant-General and Chief of Staff.

### MAN'S UNREASONABLENESS

It is often as great as woman's. But Thos. S. Austin, manager of the Republican of Leavenworth, Ind., was not unreasonable when he refused to allow the doctors to operate on his wife for female trouble. "Instead," he says, "we concluded to try Electric Bitters. My wife was then so sick she could hardly leave her bed and five (5) physicians had failed to relieve her. After taking Electric Bitters she was perfectly cured, and can now perform all her household duties." Guaranteed by the Anti-Monopoly Dispensary. Price, 50c.

## TWO AGED TURTLE DOVES

Mrs. Felshaw Wedded to Captain Parker of Tennessee at Folkston, Ga., Monday

St. George, Ga., May 15.—Captain James M. Parker, a veteran of the civil war, under General Jeff C. Davis of Indiana, and Mrs. Elizabeth Felshaw of Ocala, Fla., widow of an old soldier, were united in marriage this evening at 5 o'clock by Rev. Thomas F. Drake of Folkston. The ceremony was performed in the Dr. Osborne brick building, on the square, temporary church quarters.

The groom is 72 years of age, and the happy bride is 64. The meeting of these old people was most romantic. Both were seeking the new home in St. George, and chanced to take the same train at Jacksonville and a conversation developed that their journey ended at the same place. Their plans became known, and as chance led them to the same hotel, their congeniality was developed by being thrown with strangers, and the spark of love was fanned into a full blaze.

A temporary home of a large tent and shed kitchen has been established on Lee street, where they will live until Captain Parker builds a home on his five-acre tract.

Captain Parker came here from Tennessee, and has established a small colony of his friends just south of town. He and his bride have made a host of friends, who attended the wedding.—Jacksonville Sun.

Mrs. Felshaw is a pioneer in assisting to build up new communities and towns, having been one of the advance agents at Leroy fifteen years ago. She has lived in Ocala several years, and is self-reliant, active, energetic, a woman of good business instincts, she having been a successful book canvasser. She is a lady of excellent character and the mother of Mr. C. C. Sanders, an employe of the rim and spoke factory.

### HERBINE

Will overcome indigestion and dyspepsia; regulate the bowels and cure liver and kidney complaints.

It is the best blood purifier and invigorator in the world. It is purely vegetable, perfectly harmless, and should you be a sufferer from disease, you will use it if you are wise.

R. N. Andrews, editor and manager Cocoa and Rockledge News, Rockledge, Fla., writes: "I have used your Herbine in my family, and find it a most excellent medicine. Its effects upon myself have been a marked benefit." Sold by all druggists.

### WOOD IS WAGING WAR

Forcibly Impressing on the Moros of Jolo That They Are Not Fighting Spaniards Now

Manila, May 16.—Fierce fighting has been going on the last two weeks on the island of Jolo between the outlaw Moro chief, Pala, with 600 well armed followers, and troops under the personal command of Major General Leonard Wood.

Pala's losses thus far are 300 killed, while those of General Wood are seven killed and nineteen wounded.

Pala and his remaining followers, in accordance with Moro tradition, prefer death to capture.

General Wood, with detachments from the Fourteenth Cavalry, the Seventeenth, the Twenty-Second and the Twenty-Third Infantry and constabulary scouts, has driven Pala and his followers into a swamp, which has been surrounded.

Pala was a noted slave trader and warrior when the Americans occupied the islands. Later, he escaped with his followers to the island of Pala Sekar, near Borneo. One of Pala's leaders deserted and took refuge in the British settlement at Lahad, Pala, discovering his whereabouts, landed with a following and demanded of the British magistrate that he turn the deserter over to him. The demand was not complied with and Pala ordered a massacre. Twenty-five persons, including several Britons, were killed.

Pala escaped to the island of Jolo and organized the present uprising.

It is reported that the Borneo authorities requested General Wood to apprehend Pala, dead or alive, and turn him over to them.

### JUGGLING WITH DYNAMITE

Is no more dangerous than to neglect kidney disorders. Foley's Kidney Cure corrects irregularities and has cured many severe cases after other treatment has failed. It builds up the worn-out tissues and restores health and vigor. "I was troubled with kidney complaint for about two years," writes A. H. Davis of Mt. Sterling, Iowa, "but two bottles of Foley's Kidney Cure effected a permanent cure." Sold by the Postoffice Drugstore.
